

10 Reasons Why You Should Consider Establishing A Liberty University Charitable Gift Annuity

1. Guaranteed income for life backed by Liberty University, the world's largest Christian university.
2. Fixed rates of return from 4.4% to 9.0%, depending on applicant's age.
3. Effective rate of return that is even higher due to the charitable benefits.
4. Immediate up-front charitable income tax deduction.
5. Substantial portion of received income is tax-free money.
6. No hidden charges, initiation fees, loads, administrative or maintenance fees, period.
7. Minimum annuity purchased for \$5,000 with no maximum amount.
8. Repeat annuitants show that nearly half of the persons who take out a gift annuity with Liberty University come back for a second or third annuity.
9. Blessed to realize that upon death the annuity will become a gift toward training "Champions for Christ."
10. Achieve financial peace of mind knowing a Liberty University Charitable Gift Annuity provides a high fixed rate of return that's guaranteed for life regardless of the ups and downs of the market.

What is your payout rate?

Here's what others are saying about a Liberty University Charitable Gift Annuity.....

What others are saying about a Liberty University Charitable Gift Annuity

I wanted a better rate of return on my money, which I was not getting on the open market. I am investing in training young people to go out and change the world.

N.B., Phoenix, AZ

Our investments in mutual funds were dropping and I was losing money. The annuity rate from Liberty University was much higher than I was earning in the stock market. My love for the Lord and Liberty led me to call and get some information on how I could participate in the Gift Annuity Program.

B.M., Johnson City, TN

Through a Liberty University Charitable Gift Annuity you too can provide a significant investment in the lives of Christian young people. Plus, you have the security of knowing you will receive a guaranteed fixed income for the rest of your life at a great rate of return.
